Own your own Habitat home

**No
Interest
Loans**

**Low
Closing
Costs**

**Low
Monthly
Payments**

Become a Homeowner

Habitat homes are built based on a partnership between a family and the community.

A qualifying family pays for their home with a no interest loan and through a down payment of 200 to 400 sweat-equity hours. This model keeps the up front costs and monthly housing payments low while giving you the opportunity to own your own home!
